THE  
**LEADING  
EDGE IN  
SCIENCE**

*Food Testing Laboratory  
Franchisee Business*

**Join India's Most Reachable Testing and Research Brand.**

We are working in the field of Testing, Research, Training, and Consultancy for Food Processing and Hospitality Industries Since 2007.

## Our Vision

To become the most reachable brand for testing & research on all life-preserving resources and achieve a revenue of ₹200 Crore by 2035.

## Our Story & Mission

Envitro Laboratories Private Limited began its journey in 2007 in Rajkot, Gujarat. Our initial vision was to provide reliable and accessible testing for food and water safety. This early focus laid the robust groundwork for a future built on scientific rigor, unwavering accuracy, and an absolute commitment to client trust. Our mission is to improve & sustain life by providing scientific technologies and analytical services for testing and researching for life-reserving resources.

## Comprehensive Services Offered

**We are a versatile and innovative 360-degree service provider, offering:**

**Analytical Testing :** Foods, Agriculture Commodities, Water & Beverages.

**Specialized Testing :** Pharmaceuticals, Cosmetics, Soap, Detergents, Industrial Oils, Petroleum Products, Construction materials, Agriculture inputs, Cattle feeds, and Environmental Testing .

**Product Development :** Formulations, Standardization & Recipe set up for Food, Cosmetics & Agriculture inputs.

**Consultancy:** FSSAI, ISO, Agmark, TM, and other approvals.

**Training :** Lab Testing, Hygiene Control, and Productions..

## Why Choose Envitro ?

**Experience :** 18+ Years Experience in the Food Testing domain.

**High-End Facilities :** Head laboratory equipped with sophisticated equipment and Microbiology Lab facilities.

**Approvals :** The Head Laboratory has all major necessary approvals & Certifications.

**Support :** Effortless Lab Set up & Testing training, life-time support for staff training, and online software system support.

**High Earning Potential :** Low Investment and Fast Breakeven (approx. 18 months for both models).

**Successfully Run the Franchisee labs in  
3 Cities of India**

## SCSC - Sample Collection Cum Support Center

This is an excellent, low-risk entry point into the lucrative food quality and safety industry.

**Space Criteria :** 150 to 250 Sq. Ft.

*\*Open Only for Gujarat*

Investment Component	Total Cost (₹)
